

The Language PROS

Language & Intercultural Training & Communications

The Language PROS, LLC located in Orlando, FL, provides language and intercultural training to organizations and individuals (corporate executives, international businesspersons, etc.). Some of our recent clients are BMW North America, Freightliner and Klinikum Bad Hersfeld (located in Germany).

We currently are looking for German instructors to provide language training to a client in Detroit. It will be a group session, 2 times a week for a total of 22-23 weeks. Our client's need for German is quite urgent; therefore we would like to start the class in January.

We will provide the instructor with all necessary books and teaching materials. The Language PROS offers highly competitive salary.

If you or your colleagues are interested in pursuing this opportunity, please let us know at your earliest convenience.

More information about the position is available.

We look forward to hearing from you.

Thank you,

Irina Gamble
